Dear School Administrator, Department Chair, and Driver Education Instructor,

Welcome to a new year for Region 3 of the IHSCDEA. There are a few changes which need to be mentioned moving forward into 2017-18. My name is Don McKillip, I teach at Lockport Township High School and I am replacing Doug Bozich as Regional Director. Austin Lindley has stepped up to replace Gerry Potacki as the Region 3 Workshop Chair. Thanks to Doug and Gerry for the great job they have done and Austin and I look forward to serving you.

Since we last gathered there have been major changes going on all across the state with general funding as well as other driver education issues. This year already is shaping up to be a tumultuous one. One of the many functions of this organization is to be an advocate for you and your program so that all of us can continue producing safe drivers for Illinois many roadways. We highly encourage you to have everyone in your driver education department (whether they teach one class, part-time, full-time, or only summer school BTW) to at least become a member of our organization.

This year we have some great presenters and are showcasing a variety of programs that are available for you to bring into your school district. Brian Timblin from the Secretary of State's office will again bring us up to speed on the new changes in state laws. Members from the association's Executive Board will be again covering current legislative issues that we as teachers are going to face this school year from legislative session's downstate. We have a few new speakers this year, which are also outlined in the pages to come. Included in the packet this year is the IHSCDEA Teacher of the Year Nomination information. This is a great opportunity to recognize those who shine in our field!

This year's Region 3 Fall Workshop will again be held at Harrah's Casino in Joliet, IL on Monday October 16th, 2017. **The cost for the 2017 fall workshop will be \$70.** Please see the rest of the packet for retired, student, and state conference attendee pricing. Pre-Registration has begun and will close on Monday October 9th, 2017. Please make sure checks are postmarked by that day, otherwise please plan on paying at the door. Attached are the membership forms and workshop agenda. Please read all the information in this packet carefully and make sure that if you pre-register for the fall workshop you properly address the check to IHSCDEA Region 3.

We look forward to seeing you and your staff at this year's Region 3 Fall Workshop. Please feel free to contact us with your questions.

Sincerely,

Don McKillip
