Dear School Administrator, Department Chair, and Driver Education Instructor,

Welcome to a new year for Region 7 of the Illinois High School and College Driver Education Association! My name is Brian Schwarzentraub, and I am the Region 7 Director. Brian Kusnerick is the new Region 7 Workshop chair. A huge thank you to Eva McGill and Judy Weber-Jones for their past service in these roles, and for helping the leadership transition.

Since last Fall there have been some major changes in school funding and administering of Drivers Education. We look forward to the October 2 workshop, where some familiar faces will inform us on these developments. Brian Tamblin, who has replaced Deb Fleck as liaison to the Secretary of State, will join us to assist in keeping us updated on implementation of Driver Education.

In addition, we will see some fresh faces at our workshop. Dave Stoltz (Region 4 director) will share his Behind-The-Wheel Google system. Dan Kleinfeldt will give us techniques to help drivers with special needs. The entire speaker line-up is enclosed (back side of this letter)-- you will see there is a something for every Driver Education instructor!

The workshop is located, once again at Parkland College, in the Tony Noel Building. Attached is the tentative agenda and form to mail in. Please let us know if you have any questions. See you October 2!

Sincerely,

Brian Schwarzentraub
