Dear School Administrator, Department Chair, and Driver Education Instructor,

Since we last gathered, there have been major changes going on all across the state with general funding as well as other driver education issues. One of the many functions of this organization is to be an advocate for you and your program so that all of us can continue producing safe drivers for Illinois many roadways. We highly encourage you to have everyone in your driver education department (whether they teach one class, part-time, full-time, or only summer school BTW) to at least become a member of our organization. I look forward to seeing you and your staff at this year's Fall workshop. Please feel free to contact me with your questions or concerns.
