Dear School Administrator, Department Chair, and Driver Education Instructor,

Welcome to the Region 3 of the IHSCDEA annual Fall Workshop. Austin and I are back to be your voice within the association, and help your school with any issues you may be having. If we do not have the answer, we will find someone who does and get back to you with a response. I think last year we brought a couple new ideas to the workshop and several member experimented with EDpuzzle for the first time. The hope every year is that you can walk away from this workshop with new ways of preparing your students for the road.

One of the many functions of this organization is to be an advocate for you and your program so that all of us can continue producing safe drivers for Illinois' many roadways. We highly encourage you to have everyone in your driver education department (whether they teach one class, part-time, full-time, or only summer school BTW) to at least become a member of our organization. The dues are a small price to pay for the benefits the association has to offer in return.

This year we have some great presenters and are showcasing a variety of programs that are available for you to bring into your school district. Dale Ritzel will talk about the Oregon Playbook. Brian Timblin from the Secretary of State's office will bring us up to speed on the new changes in state laws. Members from the association's Executive Board will be covering current legislative issues that we as teachers are going to face this school year from legislative session's downstate. We have a few new speakers this year, which are also outlined in the pages to come. Included in the packet this year is the IHSCDEA Teacher of the Year Nomination information. This is a great opportunity to recognize those who shine in our field!

This year's Region 3 Fall Workshop will again be held at Harrah's Casino in Joliet, IL on Monday October 15, 2018. **The cost for the 2018 fall workshop will be \$75.** Please see the rest of the packet for retired, student, and state conference attendee pricing. Pre-Registration has begun and will close on Monday October 8, 2018. Please make sure checks are postmarked by that day, otherwise please plan on paying at the door. Attached are the membership forms and workshop agenda. Please read all the information in this packet carefully and make sure that if you pre-register for the fall workshop you properly address the check to IHSCDEA Region 3.

We look forward to seeing you and your staff at this year's Region 3 Fall Workshop. Please feel free to contact us with your questions.

Sincerely,

Don McKillip  
IHSCDEA Region 3 Director
