August 23, 2018

Dear School Administrator, Department Chair, or Driver Education Instructor,

Welcome to a new year for Region 7 of the Illinois High School and College Driver Education Association! My name is Brian Schwarzentraub, and I am the Region 7 Director. Brian Kusnerick is the Region 7 Workshop chair.

I hope you are off to a great year. We would love to have you join us at Parkland College for our workshop. Our organization is growing more, networking more, and gaining momentum as we become better educators of our young drivers. We will once again use Room **D244**, It's actually very close to the room last year, but in the "main" campus area. A map is enclosed.

Please check out our list of speakers enclosed in the agenda. **Bring a laptop** as you will receive the Oregon Playbook to your computer (or 16GB flash drive). And please pass along this information to other teachers in your district or in neighboring districts. See you October 1st!

Sincerely,

Brian Schwarzentraub  
IHSCDEA Region 7 Director
