

Illinois High School & College Driver Education Association Teacher Endorsement Program

The Illinois High School College Driver Education Association is pleased to announce a *Driver Education Teacher Endorsement Program* available in the Fall of 2017.

Administered in partnership and accredited through Aurora University, the program offers the candidate on-line and face to face

opportunities to gain undergraduate and graduate credits while earning a State of Illinois Driver Education Endorsement.

Core Courses Offered:

- 1. Principles of Accident Prevention**
- 2. Driver Task Analysis**
- 3. Methods of Driver Education Classroom Instruction**
- 4. Methods of Driver Education Behind the Wheel Lab Instruction**
- 5. Advanced Driving Techniques and Methods in the Use of Simulation and Range Instruction**

Instruction will be On-line (Self-Paced) and Face-to-Face to enable student candidates the opportunity to enroll and receive instruction conveniently throughout the state.
